

## Product Referral Program

Already a Membership Value Program (MVP) partner? Add further revenue to your organization with GrantStation's Product Referral Program (PRP). Through PRP, partner organizations offer GrantStation Online Education products to their members and receive a portion of those sales.

### PRP Criteria

- The partner must be an association, member-based organization, business, or other entity serving multiple grant-funded organizations.
- The partner must have a website to post a custom referral-specific product link.

### PRP Features

- GrantStation will provide the Referral Partner with a live, referral-specific link to GrantStation's Online Education Products.
- The Referral Partner will display the referral-specific link on their website.
- The referral-specific link will track the referrals directed to GrantStation's website using reasonable tracking methods, such as cookies.
- The referral partner organization will receive a list of purchasing organizations and a referral fee check, sent quarterly.

### PRP Costs and Benefits

- \$75 one-time set-up fee, charged to the Referral Partner.
- Referral Fees, totaling 10% of product sales completed using the referral-specific link, paid to the Referral Partner, quarterly.
